NOTES

ART McNALLY (NFL Observer)

"With :08 seconds remaining in the half. The scoreboard clock operator stopped the clock on a completed pass to Hill. Game officials did not notice the stoppage and the next snap was at :01 seconds.

"It is estimated that approximately :07 seconds would have run off, thereby, negating the opportunity for Tampa Bay to kick its field goal at the end of the half. But the game officials had not noticed the stoppage and were thus unable to take any corrective action."

QUOTES

CHICAGO COACH MIKE DITKA: "Anytime you win 10 games, you have to be proud of your team. We did not play a great game, but you still have to win that kind. We made mistakes in some critical situations, and you can't do that and get momentum going. The defense played hard, I have no complaints there. As far as the kicking game, they got a couple of long runbacks against us. I thought Brad Muster looked good, showing speed that nobody was sure he had."

TAMPA BAY COACH RAY PERKINS: "We lost to a real good football team,. We didn't execute early and we're not good enough right now to win against a team like Chicago. But in spots we did some good things. We had a good effort. Our defense and our kicking, especially played well. We were in positions to score, but we didn't execute. I still like our games, ~~xx~~ but we still need to more consistent, and that may be due to our young players.

"Until we beat a real good team, when we do that, we'll be making a real big step towards becoming a good football team.

TAMPA BAY'S DONALD IGWEBUIKE: "The injury happened on ta~~ake~~ke. After halftime, I was seeing if could kick. I wanted to play, but I just could not do it."

TAMPA BAY'S BRUCE HILL: "I had my worst game, there really isn't anything else to say."

TAMPA BAY'S ERVIN RANDLE: "A t the most opportune times, when we need the big plays, it seems to go the other way. Today I tried to be in as many places as possible. As the defensive captain, I feel I have to come back and prove myself. (ON TESTAVERDE) He's not here to save our team, he's only here to help us."

TAMPA BAY'S CURT JARVIS: "YOU can't make mistakes and expect to win."

TAMPA BAY'S KEVIN KELLIN: "It felt like I'd been away for 11 weeks. MY preparation was mostly mental, you can't change your physical preparation in a couple of days."

MORE IGWEBUIKE: "I'm not the main line of offense for the Bucs. I've pulled a groin before, but never this serious. It's my right groin. My kickoffs got better today and I've been working to improve in that area. The kicking job is probably one of the craziest jobs you can have in this league."

TAMPA BAY'S WILLIAM HOWARD: "I believe in Vinny, and I know the whole team believes in him. However, we have to stick to our game plan, no matter who the quarterback is or who the receivers are. I have confidence in both Vinny and Joe. We played the Bears twice, and both times they were the better team."

TAMPA BAY'S HARRY HAMILTON: "We didn't do some things today and they did. That's the sign of a good football team. Anderson is a great back. Sometimes the penalties are judgment calls, and you can't make that kind of mistakes, be they physical or mental, and expect to win. We didn't come up with the plays to keep them out of the end zone and that is frustrating, and I emphasize that point. To win, we can't allow the things that happen to us defensively."

TAMPA BAY'S VINNY TESTAVERDE: "I didn't play that good, the offense didn't play that good. You have to play an almost perfect game to beat the Bears. Things went wrong right from the start. We jumped offsides on the first play. The first pass interceptions was tipped. I saw the field well, I just couldn't get the job done."
