#### POST GAME QUOTES

#### WASHINGTON REDSKINS LOCKER ROOM

HEAD COACH Norv Turner: "The number one thing I say is that in the end of the game and throughout the entire game there were things that we did not get done — that would have nothing to do with the guys lack of effort. I told the team five weeks ago that we hit bottom. This Is as low as you can get, but these guys are professional football players and they continue to come back to work. We had a tough time stopping the run and running the football. (ON Rhett) "They had been running the ball well. He is a good runner and finds the creases. There were times when we were able to stop them, but the biggest disappointment was when we did stop them, we were not able to get them on third down. (ON Shuler) "He hit a couple (deep) but we are not going to get them all of the time. Those are never going to be high percentage. (ON time of possesion) "They had eight or nine men up there all day making it tough on Heath."

QB Heath Shuler: "The lack of offensive production cost us the game. The deep throws are part of our offense. They (the Buc defense) were running an eight man front, so the deep ball was there. We did not put the drives together today to keep our defense off the field. (The fumble in Bucs territory) "I take full responsibility. I should have held on to the ball. The line played extremely well, they gave me enough time to find receivers."

WR Desmond Howard: "It is frustrating to lose. It wasn't a lack of offensive production. We just couldn't stop their pffense. Their running game was clicking, ours wasn't. (On his TD catch) "It was a deep post, Heath read the coverage and threw the ball where I could catch the ball in stride. After the catch I broke a tackle and sprinted into the clear. (ON rematch) "I think it will be a different game. We knew we had a chance to win today...it hurts. Tampa Bay is a good football team, so it should be another good game."

S Darryl Morrison: "The Bucs have some talent. They have a good running back and their receivers caught the ball today. (ON defense being on the field so long) "Speaking for myself, I did not pay attention to it. I'm confident when it's time to go in. As long as we are winning, sure, I will stay on the field all day. It really did not affect us, If we have to do it like that, then I would love it."

WR Olanda Truitt: "I was double covered but they left me open. Yes it was (a high), but I realized it was the first half and we had a ways to go, so I came down pretty quick. (On time possesion) "As long as you are scoring, that is not important. But it takes it's toll on a day like today on the offense with the heat and humidity. (On team problems) "We can't execute....that's why were 2-11. We can't make the proper plays at the right times."

LB Andre Collins: "Tampa Bay played a very powerful football game, which is not typical of the Sam Wyche team. Last week they seemed to be switching over to a power team. It's a team effort, and it's a team loss. Football is a game of inches, a tipped ball here, and a tipped ball there or a diving catch here and a diving catch there and it's a different ballgame."

PAGE.002

DEC 5 '94 15:48 FROM TAMPA BAY BUCCANEERS

#### POST GAME QUOTES

DT Brad Culpepper: (on defensive strategy) We felt they'd try to run on us, because we were down in the league standings in rushing defense. We practiced hard and forced them into passing situations. With a rookie quarterback, when you put heat on him, he's going to make mistakes. (on overall defensive effort) It was a total team effort. Of course, we had some breakdowns, but after a win, you forget about those. The coaches have done a great job scouting out teams. We've played well the last four games, and right now we're on a roll. We're playing well together, we're communicating great out there, and we know what each other is doing.

#### TAMPA BAY BUCCANEERS LOCKER ROOM QUOTES

Head Coach Sam Wyche: "First of all, I'd like to compliment both teams."

It was a hard-fought game by two teams who didn't come into the game with good records but both teams showed great intensity...I think everybody saw that. The defense won the game for us. They constantly kept giving us another turn. Of course, they gave up those two touchdowns and they'll be spanked for that on Monday...but they just kept giving us the ball back. It's been a tough situation for everyone with the team being up for sale but they all just keep doing their jobs in a very professional manner. (on Rhett) It was a great day for Errict. The offensive line is the first leg of that. For Errict, the more you get the ball, the more you're in tune with the offensive scheme. The running game is an 11-man deal...even the quarterback is involved...everyone must be in absolute synch. (on Brickson) I can't tell you how many times Craig checked out of a play and got us into a better play. (on defensive line) In the second half, our defensive line turned it up a notch like they did last week at Minnesota. They looked like a premier NFL line today. (on the win) Winning is the magic elixer...it heals all wounds...it's a seven-day wonder."

RB Errict Rhett: (on 192-yard rushing effort) "I owe all the credit to the offensive line. (Center) Tony Mayberry played hurt, and they all played well. The holes were open today...when the holes are there, I can run. I know my linemen better now. We worked so hard in practice: I get hit like it's a game. I don't feel sore. I didn't get banged up like last week. It feels good to beat Hardy (Nickerson) - he told me I had better get 190 yards this week, and I got 192. I wish I had been playing this way earlier in the year. I wasn't able to read the holes as well before. I owe a lot of credit to (RB) Vince Workman. He brought me along well. (on second half of game) I thought they would switch up at the half, but we ran the same plays, and they couldn't stop them.

C Tony Mayberry: (on Rhett's effort) Errict really ran the ball well today. We faced a different type of defensive line last week (in Minnesota). But he also ran well in Seattle and Detroit. It really started in Detroit. He has learned our offensive scheme. It took him a little while. It helps that we have established some consistency on the offensive line. We're the unit that has to work in tandem more than anybody else.

G Ian Beckles: (on Rhett) We just did the preliminary work by blocking their down linemen. He's becoming a great runner. We knew he was a hard runner, but now he's hitting the right holes and making the right reads.

QB Craig Erickson (on offensive line's play) They've played well all year. Believe me, I'd be the first one to say so if they hadn't. They've definitely been our strength the last couple of wheeks. On the last drive, we had some big plays made. It was a gut-check. There wasn't a guy who wanted to come out at the end. (on Rhett's performance) Errict's really coming into his own. We stayed with what worked, and that makes for much shorter third-down conversions. When Errict runs the ball like he did, it puts the defense in a bind. If Errict continues to run like he's running we're going to have to start going up top and making those big plays. (on halftime adjustments) Not many adjustments a halftime. We got fluids in us, and went out for the next 30 minutes, because we knew we were in for a fistfight in the second half. (on game-winning QB sneak) I've never had a rushing touchdown, so that was my baby.

WR Lawrence Dawsey: Our guys are beginning to get healthy and play as a unit. We have stayed focused. We're playing well right now. I wish we could have pulled out Detroit and Seattle, but we're just going to play hard and finish the season out strong.

DT Mark Wheeler: (on improved defensive line effort) It comes from working hard the whole week. We practiced hard at shutting down the run and working together. It's a rebirth. Everybody was having fun out there...that makes a big difference, (on long TD plays by Washington) The long TDs took something out of us, but we got together as a group and came back. (on remainder of season) (A record of) 7-9 will take us into next season feeling good about curselves. (on halftime adjustments) There were no adjustments. As a defensive line, we had to get pressure. He had too much time in the first half.
