Game Notes

Buffalo vs. Tampa Bay

On the play-by-play summary there are some corrections - John Bruhin started at left guard instead of Tom McHale and Charles McRae started at right tackle instead of Rob Taylor...Bruce Hill started at wide receiver not QB and Vinny Testaverde started at QB not FB.

Reggie Cobb's 70 yards rushing is a career high for him (previous high 54 vs. Dallas 10/21/90 and Green Bay 11/25/90)...Mark Carrier has now caught a pass in 52 consecutive games...Ed Thomas' four receptions were the first of his NFL career...Buffalo's 17 points were the least they have scored this season (previous 23 vs. N.Y. Jets last week)...the Buccaneers' 138 yards rushing was a season-high (previous 131 vs. Chicago 9/8)...attendance - tickets distributed 59,830; actual attendance 57,323...Injury report: Vinny Testaverde suffered a sprained right toe...Ron Hall (rib) and Jesse Anderson (toe) could not continue to play due to the injuries they suffered last week.

Marv Levy - "We're thrilled to win. Tampa Bay played well. It's hard to win on the road in the NFL, especially in Tampa."

(Asked if the Bucs were better than their 0-4 record) "I will say this, they're gonna get better. They better stick with what they got. They've got some good people. They've got 11 rookies on the team. Their coaching staff did a superlative job."

(On getting stopped twice on 4th and one) "You've got to credit them. They brought in their goal-line defense and did the job."

Richard Williamson - "The fight was still in us. That's what is important at this point in time for our ballclub. The overall defense played extremely well. They had one little laxed moment where we had a little bit of a problem, we've been having every once in a while. If they keep playing like that - if our whole team keeps playing like they did today and fight through, and overcome some adversity this will be a good ballclub. I really believe that."

Reggie Cobb - "In the first half they were stunting. The defense played great once again. We executed pretty well in the second half. You don't get anything for getting close in this league. We've got to find a way to win and yes, I saw Mark (Carrier) get grabbed the last play of the game."

Vinny Testaverde - (on his injury) "I hurt it last week and I just re-injured it."

(when asked if he though he could've played) "Well if I could have I would have. Chris is a good quarterback, it was better to have him in there than me hobbling around. I though Chris would've done a better job than I would have after the injury."

Mark Carrier - (on last play of game) "I tried to go behind the safety and I had him beat. If Chris could've had a little more time and a little more air in it, I think it would've been complete."

Jesse Solomon - "I'm the type of person to focus on the positive. We say we did this and we say we did that. It's tough to look up at the scoreboard and see another loss. It takes a mature person to overcome that."
