POST-GAME QUOTES

Tampa Bay Coach JOHN McKAY: "As usual we got off to our usual fine start and the crowd got on me."

"I think we played pretty fine defense. We must have set a new NCAA, no NFC, no NFL record for dropped intercepted passes."

"Williams got hit in the chin with a helmet and bit his tongue, and tongue was not in season. That's not a caustic remark, but a funny one."

"Our third quarter miseries continued to plague us but we got through."

"Detroit is a very fine defensive team, maybe one of the best against the rush."

"When we started throwing on first down that won the game for us. Don't let them get you into a third down situation where they can turn those big guys loose on you."
(the aborted punt) - "Someone missed an assignment."

(Williams percentage - "He didn't throw particularly well?") - "I think he threw four touchdown passes. I'll take that. This eighty percent and no touchdowns is a bunch of manure. That's for people who like statistics."

"We did not impress people with our running attack."

Detroit Coach MONTE CLARK: "We lost and just didn't play anywhere near the way we can."

"I thought our protection for the quarterback was pretty good especially in the first half. Logan did play a heckuva football game, he was in our hair all day."

(the Wilder touchdown - was there a foul-up?) - "Yeah, the guy came up under and should have been back and their people rotated off. Nobody picked him up."

"I wouldn't blame the loss on the quarterbacks. There were a lot of people who weren't playing well."

Tampa Bay Injury Report: Doug Williams - bruised jaw
Neal Colzie - bruised thigh
Mike Washington - reaggravated groin pull
Norris Thomas - bruised knee (suffered early in game)
