POST-GAME QUOTES

GREEN BAY COACH BART STARR: We had the opportunities and just didn't capitalize on them. As you can see out there the Bucs have returned to their true form. They did a fine job. Their record speaks for itself.

The 46-yarder was hard to get against the wind, the other one we should have had. (referring to Marcol's two missed field goals).

We've got eight games left, we'll never count ourselves out.

(Asked about Whitehurst's selection of receivers). He hit a lot of open people, it's a lot easier to see from 60 rows up.

We did a better job on Bell in the second half than we did in the first.

Packer injuries - Sammy Johnson hurt knee,

TAMPA BAY COACH JOHN MCKAY: I think Whitehurst is a very good passer.

Regardless of everything you read we are 6-2 and on top of our division. I'm tired of being such a nice guy, take me to the coals if you want to.

On Green Bay - When you don't have your best runners in there it's hard to generate any offense. They had to throw.

The Bucs have been throwing the ball way to often and getting hurt because of it. What comes out of it are interceptions and incompletions.

I've said all along that Bell is an excellent runner. He did get some pretty good blocking and he's getting used to the fullback position, although he also runs some from the tailback position. I'm like you guys, I stand on the sidelines and say good run.

They got in trouble because they threw interceptions. We weren't going to score anything in the second half until Lewis intercepted that pass.

I told the team we had to play well. The people will have second thoughts about us if we lose and I would have to agree with the people. No matter what we are in first place in our division, we're not thinking about the Super Bowl right now. We have to scrap for everything we get, we're just thinking about winning our division.

I'm amazed at the people behind me. They call everything we run "student body left" or "student body right" when we actually only have one play like that.

Williams completed six passes, two for TDs. What a passer. Any more cliches that I forgot.

NOTES - On RICKY BELL: Bell's total of 167 yards gained rushing is a career high and a Buc single game rushing record. It breaks the record of 121 yards set by Jerry Eckwood against Detroit (9/1/79). Bell's 100-yard game is the third of his career and second this season. His other 100-yard game was last week against New Orleans and he is the first Buc back to gain 100 yards in successive games. Bell's previous career high was 109 yards last year at Los Angeles (11/5/79)

Bell's 28 carries is also a team record. He set the mark with 27 against Chicago (10/22/78)

Bell now has 616 yards at the midpoint of the season. Jerry Eckwood has 528.

Green Bay's 38 yards rushing is a new Buc record for fewest yards rushing allowed. Previous mark - 65, also against the Packers on 12/3/78. Green Bay has not gained 100 yards rushing as a team in any of the Bucs' last four games with the Pack.

Tampa Bay's 228 yards rushing is seven yards from the team record of 235, also set against the Pack on 9/16/79. It is the Bucs fourth 200-yard plus rushing game this season.

Bell's fumble was his second of the season and first in six games and 100 carries.

Whitehurst's 261 yards passing is a career high for him and the most ever by an individual against the Bucs. Paul Coffman is the first 100-yard receiver against Tampa Bay this season.
