POSTGAME NOTE AND QUOTES

Tampa Bay vs. Green Bay

October 12, 1980

GREEN BAY COACH BART STARR: (cutting Marcol) "We can't second guess that decision. Who is to say anyone else would have made those two field goals." (Will Birney stay?) "I haven't give any thought to that yet."

It was obviously very disappointing. We played well but didn't win. A tie leaves you with an empty feeling, especially in an overtime.

(Dickey) "He played extremely well. I was proud of his performance. He did some things very, very well. "

(the defense) "The defense has played well the last two or three weeks. But our team just didn't capitalize when we had the chance."

TAMPA BAY COACH JOHN MCKAY: "The understatement of the year, 'we did not play well.' (He then had to ask twice for questions)

(asked about game plan) "To fumble, stumble and throw incomplete passes in general."

(asked if he was happy with the tie) - "No. Of course it would be silly to say I wanted them to go ahead and kick it so it wouldn't end in a tie. "

(Williams) - "Doug couldn't tell which way they were turning. On a lot of the balls he throws out there, if you are all the great Fusina fans, the guy has to give him a direction by his head movement which way he is going to go. He's under pressure out there, give him direction."

(noncommittal on Leonard)

"I didn't see anything that was very good. They passed anytime they wanted to and ran fairly well. The main thing is that they didn't end up scoring more than 14 points. They made about 4,000 yards, they might have broken the NCAA and NFC yards. Every time I would look up it would be third and eight and they would make 15."

(Dickey's accuracy) - If you give him a lot of time. He passed well last week, he's like any quarterback, if you put a lot of rush on him ... we didn't put much rush on him."

(where does this leave you in the division) - "Way behind."

Mike Washington had to go out with a bad back and Cedric Brown tried to play but couldn't. Jordan had the flu Friday, Colzie had it Wednesday and Thursday. I could give you a lot of excuses but there no excuses. We just played poorly."

"David Lewis pulled a groin on the first play. He tried to play but it was getting worse and worse so we just let Hawkins play for him.

(Coffman getting free) - "Just poor pass defense by us and great patterns by him."

"What we need to do is get our regulars healthy. We can't practice with them, they're usually in the training room. And when they try to play they can't. We have to either get them healthy or get someone in here who is healthy. It's just getting to the point where we're not getting the job done at all."

"The team that had the ball will say that (missed tackles) was outstanding running by Ivery and Atkins and I will say that was poor tackling. That's the way it always is."

(was it worse than Chicago?) - "Well, you're giving me two worsts. You can't pick the better of two worsts. I would just say that we did not play as well as our material would indicate. In the past we have not had people. We are not getting the best out of our football team. We will have to sit down and look it over.

(have you played a good game in six?) If you mean a game where both the offense and defense worked pretty good, I would have to say that is true.

(where are you going from here?) I'm going back to the office and shower. I really don't know. We keep being optimistic. We really thought that this week and not because we're playing Green Bay that we had operated at peak efficiency and that we would come out and do some good things and in all honesty we didn't do very much. We had to go to two tight ends to move the ball, that did it pretty well but nothing spectacular. We just are not operating very good offensively. We're going to have to do something about that but what the something is I don't know at this time.
