Lindy Infante:

"I felt our offensive line played well today. We did what we had to do in order to win this game. It was a very important victory for us because it put us over the .500 mark for the first time since game 1."

(On Dilweg): "I had a lot of confidence in Anthony's ability. Our ball club rallied around him and got the job done. He prepared himself well and his reads were good."

(On victory): "I would have taken a one point victory over the Buc's. I knew that this game was going to be a hard fought battle."

(On Thompson): "I felt that everybody today witnessed what Darrell is capable of doing once he breaks into the secondary. He ran the ball very well today."

Anthony Dilweg: "I thought I played rather well considering that I haven't played in eight weeks. Mentally every week I prepare like I am going to be the starter and today it paid off. They (Tampa Bay) like to hug up on our receivers and then break up into zone coverage. In that type of system you can find a lot of guys wide open and today I did."

Michael Haddix (On first touchdown catch of season): "I was standing there wide open in the end zone hoping that Anthony would throw the ball to me. I was so keyed up when the ball came into my hands all that I could think of was 'just hang on' and I did."
