## QUOTES

### MINNESOTA COACH BUD GRANT:

(On win) - We just played a better football game this time compared to the first game and I'm sure Coach McKay would agree. Tarkenton was more effective and he makes a big difference out there.

(Injuries) - We did have some injury problems with Foreman and Swilley out. A lot of guys had to play full time in the heat, especially the offensive line. In fact the offensive line was awarded the game ball.

(Comparison with the first game) - The big difference was two blocked kicks, the blocked punt and the field goal.

(Tarkenton) - A lot of people take Tarkenton for granted. Quite frankly he is the greatest quarterback that has ever played the game and just continues breaking records every game he plays.

### TAMPA BAY COACH JOHN MCKAY:

The better team actually won today but we didn't play as well as we have, especially on defense.

(Special Teams) - Today I can not say being Italian what they were.

(Tarkenton) - I was the guy the week after the game up there who said he wasn't through and he wasn't through.

(blocked punt) - One man missed his assignment. It was over then, before that we had a chance thanks to Doug's arm.
