NOTES: The 35 points by the Buccaneers was the second highest in team history. The record is 37 points (37-3) against Green Bay 11/22/81. It was the third time in team history the Bucs have scored five TDs which is a team record.

This is the first time the Bucs have had back to back wins since the end of the 1982 season when they won the last three games of that season.

Tommy Kramer's 386 passing yards is the first 300-plus game since Danny White in the sixth game of 1983 against the Bucs (10/9/83). Second time Kramer has thrown for 300-plus against Tampa Bay. The third time a Viking quarterback has done it. 386 yards is the second best ever against the Bucs with Lynn Dickey throwing for 418 10/12/80 (OT).

James Wilder combined for more than 100 yards for the fifth time in six games this year and nine of his last 11 while playing tailback. He now has 1,944 career rushing yards. Wilder had 89 rushing and 40 receiving for a total of 129 yards. He now has 888 yards from scrimmage and led the NFL in that category going into the game.

Tampa Bay's five takeaways gives them nine in the last two games after having only two in the first four weeks.

Kevin House had 100-plus yards receiving for the first time this season and the ninth time in his career. He finished Today's game with seven for 126 yards.

Selmon now has 73½ career sacks, 25 career caused fumbles and 10 fumble recoveries with one sack, two recoveries and one fumble caused in today's game.

#### QUOTES      MINNESOTA PLAYERS

TOMMY KRAMER "We felt we could throw the ball as long as our line did the job. When they're creating turnovers that's the same thing as stopping you. On the first two ~~times~~ times we had the ball that's the best we've executed in a long time. Then we started getting penalties and turnovers and that hurt us. We didn't let down at all. We did a lot of things offensively that prevented us from winning. We felt we were capable of winning this game. Hugh Green is a great player and I'm sure they would have been better with him in."

SAMMY WHITE "The offensive coach tries to instill in a quarterback, take what they give you. They have very good people back there (cornerbacks). They were also blitzing a lot. Tommy (Kramer) had to make some pretty good moves to get away. Deep zones are alright, but you really like playing against a team that's blitzing. No matter how great shape you're in when you're out there in that humidity it really takes its toll."

TED BROWN "That (stats) shows the game is not built on stats alone. After penalties you really try to stay calm and cool and try to come back and not make the same mistakes you made before. (ON WILDER) "I think he ran ~~about~~ as hard as any back I've ever seen run. He is probably a much tougher ball player this year. It takes a man to grind out the short ones."

MIKE JONES "They held their own (T.B. DEFENSE). I thought that we were real prepared for them. This game shows that we are ready to score again. We have to keep scoring and piling them on. We didn't score any TDs in our last two games. This is not a one man show it takes 11 on offense and defense to win in this league. We started out like fires in a forest. It's tough on a quarterback like Kramer but he just has to bounce right back."

## Minnesota Vikings

Coach Steckel: "I would just like to make one statement, I would like to know whether this was orange Sunday or yellow Sunday (penalty flags). We made too many mistakes. (Ex: 12 men on the field).

(Kramer's fumble) "There was a misinterpretation of the play the messenger brought in."

"We got inside the 2-yard line and didn't score."

(teams feelings after the game) "They didn't quit, they kept their heads up and kept playing hard. We will continue to improve. We kept giving them good field position. We moved the ball very well, we just weren't scoring the touchdowns.

(Tampa Bay's defense) "Tampa's got one of the best defenses in the league. Wayne Fontes is a great coach."

## Tampa Bay

### Coach McKay

(game) "I never thought we could play <sup>defense</sup> like that. Minnesota has a good offense, but we had enough to hang in there and win. The defense made some big turnovers for us.

(Kramer) "Kramer is a good passer. He's going to be a little sore in the morning."

(Tampa Bay's offensive line) "We moved a man around and motioned our pullback. Our fullback was going to drop dead just from going in motion. He must have run 5,000 miles I imagine. He (Armstrong) played very well."

(Bucs in Central Division) "I guess we are in second place. Chicago won I assume."

(Detroit) "Detroit's is as good an offense as we have played this year. It's always been a tough battle up there, we have won up there, we know we can win if we play well."

(Brantley and linebackers) "We cannot afford another linebacker down. Ours is a linebacker defense. One linebacker down is enough. In fact, one linebacker is too many."

### Cecil Johnson:

(without Hugh Green) "It was a little tiresome for me, but it was a learning experience for all of us. You would always feel an absence for a player of his caliber."

(Tommy Kramer) "He's going to wheel and deal you and keep coming at you. He throws everything and then some. We always have a tough time against Tommy."

(Buc offense) "We have to put our faith in them. They are coming on strong and with the way they are playing we can play with any team in the league."

### Lee Roy Selmon:

"Our coaches prepared us well for things the Vikes were going to do and in a close to the goalline situation we would rather give up 3 than 7. Kramer is an outstanding quarterback. His fellow players blend well with his talents. You have to give alot of credit to our offensive line for the job they did and then just thank God for the victory. Sure you miss a player like Hugh Green but Keith Browner played well. He molded in well with our defense and will get better with each game he plays. He showed us today the true ability he has."
