POST-GAME QUOTES

ATLANTA COACH LEE MAN BENNETT:

We got beat by a football team that wound up in the second half and just plain beat us. Their kicking game was especially good and we were hurt early when we got two instead of seven (THIS REFERS TO BLOCKED PUNT ROLLING OUT OF END ZONE)

The rain was a big factor for us but it was also raining on the other side so it was a big factor for both teams.

Doug Williams played very well, he's going to be a great quarterback. I coached Doug in the Senior Bowl and have always been high on him.

TAMPA BAY COACH JOHN MCKAY:

We threw deep and were wide open and had the ball. We thought we could bomb them, get behind them and we did. Doug hit them but they dropped the ball.

We worked hard and didn't give up and overall played pretty well.

Just having one quarterback keeps things from falling apart.

Green really helped with his punting even though there was a real bad wind. I've never seen a wind that hard during a football game.

We moved the ball better in the fourth quarter basically because we had better field position.
